Notes:

- Non-Agency First Nations have no affiliated FNCFS Agency for protection services and are considered to be receiving protection services from a mainstream service provider(s). Non-Agency First Nations receive 100% of the prevention funding and emergency funding attributable to them. However, if you are a Non-Agency First Nation receiving prevention services from Mnaasged Child and Family Services, the above "Prevention Funding" amount is the prevention funding attributable to your First Nation that is directed to MCFS.
- If your First Nation is affiliated with an FNCFS Agency for protection services and the above "Prevention Funding" amount is \$0.00, it means that ISC is already directing 100% of the prevention funding to your First Nation pursuant to the BCR you submitted.
